OUR LIVING AND OUR DEAD: OR Testimony from the Battle Fields. Under the above title I propose to publish first in newspaper, and subsequently in book form, a series of articles giving the war record of North Carolina from the election of Lincoln in Nov. 1860, to the close of the war between the States in May, 1865. My plan embraces three divisions:

1st. Account of each skirmish and battle on the soil, or upon the waters of North Carolina 24. Accounts of every battle fought during the war on the soil of any State, in which any of the troops of North Carolina took part especial care being taken to show what those troops did and suffered in each of these battles, and
